

## Doctoral study program “Medicinal Chemistry” Department of Biotechnology

Table of requirements from students:

	ECTS	Comments
Compulsory modules	30	Student must complete modules to acquire 30 ECTS
Optional modules Optional activities	35	If the student collects enough ECTS from optional activities, then they do not need to do additional modules. Students must apply for recognition of activities in order to be awarded ECTS (before the defence of the doctoral topic and thesis)
Publications	15	Students are required to publish articles worth at least 15 ECTS in journals listed in Current Contents. The student must apply for recognition of papers, in order to be awarded ECTS.
Defence of doctoral topic	10	
First report from the mentor	15	The mentor is required to submit their report at the end of the student’s first year of study.
Second report from the mentor	15	The mentor is required to submit their report at the end of the student’s second year of study.
Stay in another laboratory	30	Student must apply for recognition of the stay in order to be awarded ECTS.
Mentor’s final report Writing of doctoral thesis Submission of the thesis for evaluation	30	
<b>TOTAL</b>	<b>180</b>	

- **Applications for recognition of ECTS points, defence of the doctoral thesis and topic of the thesis must be submitted to the Commission for Doctoral Studies using the forms provided**

**Optional activities** may include: presentation of a seminar before the Commission (a request for a seminar must first be submitted), participation in local and international conferences, summer schools, workshops or courses, or additional scientific publications. **Accreditation** of optional activities for ECTS will be carried out by the Commission for Postgraduate Studies, and confirmed by the Departmental Council of the Department of Biotechnology.

**ECTS accreditation available for individual activities:**

Publication of a scientific paper in a journal listed in Current Contents	First author: 15 ECTS	Co-author: 7.5 ECTS
Publication of a scientific paper in a journal listed in Web of Science but not Current Contents <sup>1</sup>	First author: 8 ECTS	Co-author: 4 ECTS
Active participation at an international conference	Oral presentation: 5 ECTS	Poster: 2 ECTS
Active participation at a local or national conference	Oral presentation: 2 ECTS	Poster: 1 ECTS
Attendance of a local, national or international conference <sup>2</sup>	0.2-2 ECTS	
Intensive workshops that include practical work <sup>3</sup>	0.2-2 ECTS	
Presentation of a seminar before the Commission	5 ECTS	
Activities for the promotion of science etc.	0.2-2 ECTS	

<sup>1</sup> e.g. Periodicum biologorum. <sup>2</sup> attendance without presenting a talk or poster. <sup>3</sup> e.g. an EMBO workshop.
